

## Bacon, Bacon, Bacon and More Bacon!!

Greetings one and all.

Harvest Wars is drawing nigh. Many challenges and delightful activities await those who join us for this fun event. To that end we have added a new A & S competition “The first Memorial Cook-Off Competition” in honor of Master Chirhart Blackstar.

Master Chirhart was an avid cook and font of knowledge of all things food oriented. However, he REALLY enjoyed Bacon. Bacon was so versatile that it’s a challenge to find a way you can’t make something wonderful with Bacon. Consequently, the theme of this Cook Off is BACON!!!

Rules of the Cook off are as follows; Documentation is heartily encouraged. Entries can be prepared ahead of time or on site. There are no limits to how many entries you may present. Cooking can be done in ‘Pennsic style’ or with modern conveniences, however, the site allows no ground fires. Fire bowls are acceptable. The kitchen will not be open to the contestants for cooking their entries.

For more detailed information please contact the Sponsor of the competition and Autocrat, Baroness Tatiana Ivanovna of Birchwood Keep (Claudia Bosworth) at [crbosworth@aol.com](mailto:crbosworth@aol.com) or by phone at 410-437-7090.

The event will be held the weekend of September 27 – 29, 2019 at the Caroline County 4-H Park, 8314 Detour road, Denton, MD 21269. For more event details go to [www.brighthills.atlantia.sca.org](http://www.brighthills.atlantia.sca.org) and click on Baronial Events.
